*“Teachers are an important part of the nation building process for it is education that creates the most significant impact in the overall economic and social development of society,” said **Ms. Ashima Bhat, Group Head – Corporate Social Responsibility, HDFC Bank.** “The Teaching-the-Teachers (3T) programme under Parivartan, we believe, makes education more contemporary and dynamic by involving teachers to think of innovative ways of imparting knowledge in class rooms. The Innovation Handbook thus becomes a reference manual for teachers across India to use ideas that involve zero cost but are high impact. This one-of-its-kind initiative is a part of the Bank’s sustained endeavour to be a catalyst for change or ‘Parivartan’ and create a positive impact in the lives of the local populace.”*
