Can I get 1+1 on food and 2+2 on drinks at the same restaurant?

Each partner restaurant offers only one of these benefits, i.e. our Food partners offer 1 complimentary dish as a part of the meal, and our Drinks partners offer up to 2 complimentary

drinks per visit. Each partner has a tag that allows you to distinguish between Food & Drinks Partners:

If I order 5 dishes, will I get 5 complimentary dishes?

No, all Gold members are entitled to only one complimentary dish per visit. So, if you order 5 dishes on one membership, one dish priced same or less than the highest priced dish will be made complimentary by the restaurant.

If I order 4 drinks, will I get 4 complimentary drinks?

No. All Gold members are entitled to upto 2 complimentary drinks against 2 or more paid drinks per visit. So if you order 4 drinks, only 2 will be made complimentary. Complimentary drink will be same as the first one ordered, i.e. you can order 1 beer and get 1 beer complimentary, or order 1 beer and 1 mojito, and get 1 beer and 1 mojito complimentary.

Can more than one Gold members use their membership at the same table?

Yes, For every 2 diners, only 1 Gold benefit can be unlocked and so on. However, there must be 2 people on the table to avail Gold benefits. Please refer to the following table to check the number of unlocks allowed:

Can I share my complimentary drinks or dishes with my friends?

Yes, of course, you can share your drinks or dishes with your friends at the table.

How many times can I visit a Gold partner restaurant?

You can use Zomato Gold only once at each partner restaurant in a day. However, you can visit each restaurant as many times as you like during your membership duration.

Can the restaurant partners change after I purchase the membership?

Yes, our restaurant partners may change over time. We keep adding new partners to the list, to expand the choices available to you. Sometimes existing partners may also be temporarily removed due to their business constraints or if we're working with them to ensure a seamless experience for members.

Is Zomato Gold valid on deliveries or takeaway?
