

## HDFC BANK awarded by IDRBT for Cyber Security Risk Management

HDFC Bank has won the 'Best Bank Award for Cyber Security Risk Management among Large Banks' at the eleventh edition of the IDRBT Banking Technology Excellence Awards 2014-15.

The Institute for Development and Research in Banking Technology (IDRBT) was established by the Reserve Bank of India in 1996 as an autonomous centre for development and research in banking technology.

The awards were presented at a function graced by Dr. Raghuram G. Rajan, Governor, Reserve Bank of India (RBI) and Mr. H.R. Khan, Deputy Governor, RBI and Chairman, IDRBT, at Hyderabad on October 23, 2015. Mr. Bhavesh C. Zaveri, Country Head – Operations & Technology and Mr. Munish Mittal, Chief Information Officer, HDFC Bank, received the award on behalf of the Bank.

IDRBT Banking Technology Excellence Awards are aimed at inspiring implementation of innovative technologies in the Indian banking and financial sector and leveraging technology to reach out to the masses. Pioneering and out-of-the-box approaches in the usage of technology for improving productivity and profitability are recognized through these awards. The IDRBT Banking Technology Excellence Awards were presented in nine categories.
