HDFC Bank emerged a big winner at the annual IBA Banking Technology Awards 2012-13. Our Bank won in four categories including this year's highly coveted award for **Best Technology Bank**.

We were also the first Runner up in two categories and the second runner up in one category. The event saw our bank emerge a winner amid tough competition. A total of 220 nominations were submitted from 46 banks in nine broad categories.

### **Here are the details of the awards we took home:**

- Best Technology Bank of the year – Winner
- Best Internet Bank - Winner
- Best Customer Management Initiative – Winner
- Best use of Mobility Technology in Banking – Joint Winner
- Best Risk Management & Security Initiative – First Runner up
- Best Financial Inclusion Initiative – First Runner Up
- Best Use of Technology in Training and e-learning - First Runner-up
- Best use of Business Intelligence – 2nd Runner up

Our MD., Mr Aditya Puri and our CIO, Mr. Anil Jaggia attended the IBA awards event held in

Mumbai. Padma Bhushan Dr. Raghunath A Mashelkar, Chairman, National Innovation Foundation was the Chief Guest for the evening who gave away the awards.

The team who received the awards on behalf of the Bank comprised Mr Anil Jaggia, Mr. Anand Sankararaman, Ms. Aparna Kumar, Mr. Deepak Mudalgikar, Mr. Harish Shetty, Mr. Munish Mittal, Mr Nandakumar Palani, Mr Niranjan Prasad, Mr. Nitin Chugh, Mr. Rajesh Chavan, Mr. Tejas Maniar, Mr. Vaibhav Samant, Mr. Vishal Salvi, Mr. Vivek Attavar, and Mr. Vivek Joshi.

Organized by the Indian Banks' Association, the Banking Technology Awards recognize and reward, Individuals, Professionals and Banks who identify themselves in the technology segment of the Banking industry.
