

HDFC Bank named 'Best Large Bank' by Business Today - KPMG Study

Our bank has been adjudged the 'Best Large Bank' by Business Today - KPMG Study. The study comprises a performance analysis of 65 scheduled commercial banks operational in India. The banks were divided into four sets and the study was done on three broad parameters - Growth, Size and Strength. Further, our Bank has also featured as the top large bank in the 'Growth' Category.

The article on our Bank as part of the study touches upon the emphasis on technology and how our Bank is transforming itself into a full scale digital bank. Pasted below is the full story appeared in the magazine.
