

HDFC bank wins Business Today 'Best Companies to Work for in India' Award

Date: February 24, 2016

HDFC Bank's Chief People Officer, Mr. Philip Mathew, receives the award from Mr. Devendra Fadnavis, Chief Minister of Maharashtra.

HDFC Bank has won Business Today 'Best Companies to Work for in India' Award in the BFSI sector. The award was presented after a survey, now in its 14th year, conducted in partnership with PeopleStrong and Naukri.com.

The survey, conducted to understand the perceptions and aspirations of employees, was open to all salaried employees in the country, across industries. Survey respondents are asked to rank companies across industries and then within their own industry, on parameters such as

- Growth prospects
- Compensation and benefits
- Learning opportunity
- Diversity initiatives
- Ethics
- Work-life balance & flexibility
- Stability and other HR practices.

In the overall ranking of Top 25 Best companies to work for, HDFC Bank is ranked 17, above its competitors.
