

HDFC Bank wins Award at 27th QIMPRO Convention

December 3, 2015

HDFC Bank's project 'Working Capital Finance TAT Re-engineered,' has won the QualTech Award in the Lean Six Sigma project competition at the 27th Qimpro Convention. The project highlighted strategies to reduce turn around time in processing applications for Working Capital requirements.

Also, Roshan Alphonso, HDFC Bank's Project Lead - Quality Initiative Group, who presented the project at the convention, won the Best Presentation Award. Qimpro Convention is a renowned organization in the field of Quality that recognizes excellence in Project Teams.

Receiving the award - (L to R) - Mr. Pranesh Rao (Head-QIG), Mr. Suresh Lulla (Founder & Mentor - QIMPRO), Mr. Roshan Alphonso (Project Lead-QIG), Mr. Mehernosh Dhamodiwala (Head Projects Team-QIG), Ms. Zenobia Mehta (Product Head - Business Banking), Ripal Sheth & Santosh Sinha (QIG)
