Methodology:

The Fortune India-Grant Thornton Bharat study of India's best banks deep dives into banks' performance across key parameters.

The Fortune India-Grant Thornton Bharat Best Banks ranking covers 57 scheduled commercial banks in India with a standalone balance sheet of over ₹10,000 crore as on March 31, 2021. The banks were scored on six broad parameters — business growth, asset quality, efficiency, profitability, capital adequacy, and investor perception.

The findings were placed before an independent jury to identify the winners across the various categories. The jury members included Subhash Chandra Garg, former finance and economic affairs secretary, author of The \$10 Trillion Dream, and chief policy advisor, SUBHANJALI; Satish Marathe, director on the board of RBI, and former chairman and CEO of The United Western Bank; HR Khan, former deputy governor, RBI, and currently independent director; Jitendra Gupta, former executive director, Sebi and founder, SES Governance, an independent proxy advisory firm; Pradip Shah, founder, IndAsia Fund Advisors and Debashis Mitra, president, Institute of Chartered Accountants of India.
